1 William H. Ball. Case No. 2:24-cv-01757-CDS-MDC 2 Plaintiff 3 V. 4 Oyo Hotel & Casino, LLC 5 Defendant 6 7 Pro se plaintiff William H. Ball initiated eight age discrimination lawsuits on August 8, 8 2024. The district judges and magistrate judges agreed that those eight cases involved similar 9 claims and similar questions of law and fact; and for that reason, the cases were assigned to a single district judge and magistrate judge. 11 On September 19, 2024, Ball initiated another five age discrimination lawsuits. The cases all assert that Ball was not considered as a candidate for employment because of his age. Under Local Rule 42-1 (a), an action is considered related to another action when: 13 14 (1) the actions involve the same parties and are based on the same or similar claim; (2) the actions involved the same property, transaction, or event; 15 (3) the actions involve similar questions of fact and the same question of law, and their assignment to the same district judge or magistrate judge is likely to effect a 16 substantial savings of judicial effort; or 17 (5) For any other reason, it would entail substantial duplication of labor if the 18 actions were heard by different district judges or magistrate judges. 19 LR 42-1(a). 20 Because these actions involve similar questions of fact and law, and their assignment to the same district and magistrate judge is likely to result in a substantial savings of judicial effort, 22 23 24 ¹ Ball v.
